We invite you to discuss with us any questions regarding our services. The best dental health services are based on a friendly, mutual understanding between provider and patient.

Insurance and Financial Policy

Thank you for considering River City Dentistry for your dental care. We are happy to provide the highest standard of care in a calm, comfortable, and clean environment. Prior to treatment, we will discuss the treatment plan and financial options. This will allow you to fully understand your dental treatment, what to anticipate in fees, and allow you time to make the necessary financial arrangements.

Please keep in mind that insurance benefits are determined by your employer, not your dentist. Your insurance policy is a contract between you and your insurance coverage. Dental insurance is not a guarantee of payment and will likely only cover some of your treatment. Any deductible or estimated co-payment amount is due at the time of treatment. Even if we are not contracted with your dental insurance plan, we are still happy to provide an insurance analysis to determine your estimated out of pocket expense. If payment for services already rendered has not been paid in full within 45 days, either by you or your insurance company, the remaining balance for your treatment is considered due and must be paid by you.

We realize that every person’s financial situation is different. For this reason, we have Care Credit payment option to help you receive the dental care you need and deserve. We are always available to answer your questions and assist you in any way we can.

We look forward to helping you obtain the healthy, beautiful smile you’ve always wanted.

CareCredit. We partnered with CareCredit to offer financing for your dental treatment. Please ask for more information.

Other Disclosures

There will be a $35 charge for check returned for insufficient funds.

River City Dentistry values the time for each appointment scheduled at our office. We appreciate notification 2 days prior to any appointment cancellation. Please be advised a fee may be applied for cancellations less than 24 hours prior to the scheduled appointment.

Our policy requires payment in full for services rendered at the time of visit, unless other arrangements have been made with the business manager. If account is not paid within 90 days of the date of service and no financial arrangements have been made, you will be responsible for legal fees, collection agency fees, interest charges and any other expenses incurred in collecting your account.

I authorize the staff to perform any necessary services needed during diagnosis and treatment. I also authorize the provider to release any information required to process insurance claims.
